96 **Kirk Henckels (83)**
*Executive vice president and
director of Stribling Private Brokerage*

Mr. Henckels takes tea at the Carlyle, neatly bespectacled and always bow-tied. It is no accident that the elegant, Texas-bred

former banker began his tenure in the business at Edward Lee Cave's aristocratic boutique. The plume in Stribling's cap, Mr. Henckels seemed a natural choice for the famed 778 Park Avenue duplex—a choice Mrs. Astor certainly would not regret.
