NEW LISTINGS

Stribling's Ellen Devens has just listed this pre-war triplex at 139 West 85th Street for \$1,195,000. The two bedroom, 2-bath apartment is comprised of the rear units of a 1900 Brownstone. The Garden level offers a square-shaped room for dining/living with exposed brick, beamed ceilings and original oak flooring (left). The Parlor Floor has a livingroom with a 7ft. North-facing window that looks into the garden. The Lower Level currently functions as a bedroom, but could be a playroom, den or guest room.
