HOUSES OF THE WEEK

Midtown East \$899,000

Bedrooms: **1** Bathrooms: **2** Square feet: **1,200**
Maintenance: **\$2,086**

Two are better than one, especially when it's two apartments that have been "seamlessly combined" into a single "stylish and contemporary" one. This East 48th Street co-op also boasts an "oversized" master suite, a dining area that "easily converts" to a den or home office and nice touches like recessed lighting, crown molding and built-in cabinetry.
